Submitted to His Highness.

With His Highness' approval, an order^x was issued, continuing for another quarter from February 1919 the grant of a temporary local allowance of one anna in the rupee to all officials whose pay does not exceed Rs.50 per mensem on account of high prices of food grains and other necessities of life. The present sanction expired by the end of April 1919. Representations have been received from the Revenue Commissioner and the Comptroller^x for the continuance of the temporary allowances as prices of necessities still rule high and for the extension of the concession to officials on pay exceeding Rs.50 but not exceeding Rs. 100.

P 9 D. II
n. 7

2 The situation having considerably improved, the Financial Secretary has pointed out that the extension of the concession to officials on pay exceeding Rs.50 is not admissible for financial reasons, and suggested that in the case of the lower paid staff the allowance may be sanctioned^x from month to month instead of from quarter to quarter, so that it may be stopped when prices sufficiently come down. It is accordingly proposed to sanction the allowance for the present for the month of May 1919 only.

SIR,

I have the honour to submit a representation by some members of the Comptroller's Office praying for relief on account of the prevailing high prices of the necessaries of life. The officials in receipt of salaries above Rs 50/- and not exceeding Rs 100/- beg that they may also be granted War Allowance. I beg to invite reference to my letter No. 295/R dated 27th September 1918 in which I have already represented that relief is called for in the case of all officials whose salaries do not exceed Rs 100/-. The purchasing power of the rupee has gone down considerably and officials whose salaries do not exceed Rs 100/- are really put to very great hardship and I beg to strongly recommend their prayer for War Allowance and request that it may kindly be sanctioned. The cost involved will be under Rs 5,000/- per month.

The officials also request that the daily fee of annas two for each patient levied in the Government Dispensaries in the Bangalore City may be waived and the officials in receipt of salaries higher than Rs 100/- also pray for this relief. I commend this request also for

To

Comptroller to the Government of

His Highness the Maharaja of Mysore,

Bangalore.

Sir,

The acute situation caused by high prices of food stuffs and other articles of bare necessity is well known to all. We are now compelled to approach you with the following requests and beg that you may be pleased to recommend to Government to sanction them:

- (1) That officials drawing salaries of more than Rs 50/- but not Rs 100/- may be granted War allowances especially in the Cities, if not throughout the State. The extra cost involved, if sanctioned, throughout will not be more than Rs 4,000/- per month and this amount is insignificant when compared with the sum of Rupees 60,000/- per month now incurred.
- (2) That the Medical fee of 2 As: ^{for each patient} per visit now levied in the Cities of Bangalore and Mysore from persons drawing more than Rs 50/- per month may be excused, especially as life is far more costlier in Cities than in other places.

SIR,

I have the honour to forward herewith for the orders of Government a representation from the officials of my office drawing a pay of Rs.50/- and above praying for the grant of war and grain compensation allowances on account of the high prices of food stuffs and other articles of necessity and for waiving the medical fee of two annas per visit for each patient now levied in the Government dispensaries at Bangalore.

To

Revenue Commissioner in Mysore,

B a n g a l o r e,

Sir,

Neither the cessation of hostilities in Europe and Asia nor the advent of the harvest season has brought about any amelioration to us in the matter of the excessively high prices of food-stuff^s and other articles barely necessary for life. The prices ruling now are almost treble what used to prevail at this part of the year and in all probability they will rise further. We beg therefore that Government may be moved to extend the concessions, so graciously shown by them at present to officials drawing Rs 50/- and less, to all ministerial officers of this Department irrespective of pay. It is understood that in British India, officials of the Postal and Telegraphic Departments drawing salary up to Rs 60/- are granted similar allowances.

2. We beg also that the medical fee of two annas per visit for each patient now levied in Bangalore for persons drawing more than Rs 50/- per month may also be waived.
